Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solid Democratic State Election Board—every one the creation of Mr. Goebel or his agents—checked to the hilt the vote cast at the election held in Kentucky on Tuesday, November 7th, 1900.

Taylor's Plurality... 2,383

If TOM CAMPBELL hasn't "fixed" that Jury properly—that is, according to his well known Cincinnati methods—and it fails to convict CALEB POWERS, the whole fabric of the prosecution will fall. If it does, TUCKER TRILL had best stand down, for his rulings have been outrageous from the very beginning.

W. H. CULTON says there is not a word of truth in the testimony of Auditor SAM STONE, who on the witness stand at Georgetown charged CULTON with stealing \$1,000. CULTON says also that STONE did not discharge him. Well, SAM STONE's simple word will go with the people of Kentucky, regardless of politics, where CULTON wouldn't be believed under oath.

In his testimony before Judge CANTRELL at Georgetown, in the trial of CALEB POWERS for the murder of GOEBEL, Adjutant General COLLIER said that after the shooting he received an order from Governor TAYLOR to confer with the civil authorities in regard to keeping the peace.

The prosecution—that is, TOM CAMPBELL, objected to this order being read, and the Court—that is, Judge CANTRELL, sustained the objection. Of course, what the world expects. Testimony showing that Governor TAYLOR was trying to preserve the public peace would be detrimental to the object of CAMPBELL and CANTRELL, which is to convict innocent men for political purposes.

"BROKE" HILL, the usurping Secretary of State, the man who stole the office to which the people of Kentucky had elected CALEB POWERS—presided recently over the Democratic Congressional Convention at Paintsville, and in his speech accepting the chairmanship there are among the well chosen words that uttered through his foul mouth—

"GOEBEL died as better than all the Republican sons of bitches living."

Such outrageous expressions as these are only characteristic of the brain that formed them. When he made such a declaration, he did not merely slander the men of the Republican party, but the state of womanhood throughout the Commonwealth. They have repeatedly asunder, slandered and vilified the women of this state, and the man or the party that would uphold a man in such brutal attacks upon the fair women of Kentucky is a disgrace to civilization.

And this "BROKE" HILL is the Goebelle Secretary of State of the grand and glorious old Commonwealth of Kentucky!

The Courier-Journal, which loses no opportunity to do injustice to every one who does not believe that the late MR. GOEBEL was an immaculate saint instead of a plain murderer, recently contained this special telegram—

ATTORNEY TINSLEY

Makes an inflammatory speech at a Republican rally.

LONDON, Ky., Aug. 3.—At a Republican rally here last night, J. H. Tinsley of Bartonville, one of the attorneys for the defense in the Powers trial at Georgetown, made an extremely inflammatory speech, denouncing Tom Campbell, the Goebel brothers and the prosecution of the trial at Georgetown by saying that hungry hordes of people were following Tom Campbell and the Goebel brothers to get part of the \$100,000 reward fund. He said that the Republican party was not guilty of the assassination of Governor Goebel, and that the accused Powers would be acquitted.

Certainly. Anything that reflects upon the methods of TOM CAMPBELL and the GOEBELs is "inflammatory," and it is rank incendiarism to say that the Republican party is not guilty of assassination.

Well, if this be "inflammatory," THE LEADER desires to be classed as a full-fledged conflagration.

SENATOR BAILEY has been pounding away at the Philadelphia platform. Senator BAILEY is the gentleman who recently distinguished himself by not being able to tell the difference between toadstools and mushrooms.

The production of wire nails in 1896 was only 4,719,810 kegs. Last year it was 7,996,522 kegs. The increase of 60% when the mills were open meant a large amount of extra business for all industries in which wire nails are used.

ARTHUR GOEBEL declares that the prosecution was "gold brick" with WEAVER by designing persons. ARTHUR shouldn't be too hard on TOM CAMPBELL. He is the delightful duck who tried to "gold brick" CALEB POWERS with WEAVER's lying testimony, but for once he was caught up with.

Compare it with other local papers, and then say, if you can, that THE LEADER isn't the best, and that it doesn't give the most for the money. Can't you afford to have it left at your residence for a month? Mr. H. C. Curran will be glad to book your order.

CONTRADICTORY EVIDENCE.

Both Sides in the Powers Case Are Trying to Impress Same of the Witnesses.

Georgetown, Ky., Aug. 6.—The trial of ex-Secretary of State Caleb Powers for the murder of Governor Goebel has developed that both sides in the case are dealing extensively in contradiction and impeachment of some of the witnesses who have testified in the case. The most important testimony heard was given by Corp. Mill Trosper, of the military company at Louisville, of which Caleb Powers was brother John was captain. Trosper gave testimony indicating that the shot which killed Gov. Goebel was fired from the third story of the executive building and not from the secretary of state's office, which is on the first floor. In almost the same breath he testified that he could not remember the military company had been in Frankfort since January 29, under secret orders from Gov. Taylor.

At the afternoon session of the court the defense further sought to contradict W. H. Cullton by introducing two witnesses who testified that Cullton had made a statement and agreement with the prosecution by which he was not to be confined in jail. Cullton on the stand denied that he ever made such a statement and it was also proved that he has been confined in jail since his examining trial.

OVER TEN THOUSAND MISSING

County Clerk Claude Chinn Said to Be Short in His Accounts.

Which He Denies.

Frankfort, Ky., Aug. 6.—The report of State Inspector Hines to Auditor of the investigation of the county and records of County Clerk Claude Chinn, of Fayette county, shows Chinn to be short in his accounts \$10,249.00. When Gov. Beeks has received the report which he has taken immediately looking to the recovery of the money from the Fidelity Deposit Co. of Maryland, which furnished him. The court of appeals will be asked to remove Chinn from office.

When Mr. Chinn was seen he said that political hatred was behind the whole matter because he had opposed Goebel. He said that he had an expert working on his books and would make no detailed statement until he had made his report. He said: "My office is all right and I am all right. I am confident I will come out with clean skirts. My political enemies rejoice at the charge against me, but simply ask for time. I will prove then everything is correct. The whole story has not been told."

Shot Sister-in-Law and Wife.

Newport, Ky., Aug. 6.—John W. Jolly shot and killed his sister-in-law, Lottie Kivinsamp, and mortally wounded his wife, at the home of their parents at Ninth and Overton streets, shortly after noon. Mrs. Jolly is dying and there is no hope of her recovery. Jolly had trouble with his wife, and she went to the home of her father, Henry Kleckamp, on Ninth street, near Boone. He followed her, and in a scuffle that ensued, when he announced his intention of his killing his wife, his revolver was discharged twice. Jolly was arrested and claims the shooting was accidental.

Saved His Wife's Life.

Constance, Ky., Aug. 6.—Scott Peete no heard a noise and woke his father. He got his gun and his father a club and they went to the door to investigate. They saw an object coming toward the door and Scott raised his gun to shoot. His father knocked up the gun just as it was discharged. The bullet just missed his mother's head. She had gone out into the yard, and the father saw it was his wife in time to save her life.

Shows No Remorse.

Louisville, Ky., Aug. 6.—Jesse Durham, who, it is charged, murdered his aunt in Meade county, will be kept in jail until the feeling against him has subsided sufficiently for a trial. He is still and shows no remorse. It is thought he is of unsound mind.
